## 500Mbps Powerline Gigabit Ethernet Adapter, Pass Through

Faster than a network cable or Wireless LAN - the best and easiest connection for your digital world.

Make use of the home network of the future today, and connect computers and consumer electronics via the household power line-with the LogiLink PL0006 500Mbps Powerline adapter ! All devices can be connected to each other and the Internet quickly, easily and securely. PL0006 reaches speeds of up to 500Mbps and features even higher performance than network cables or WLAN-and that without WLAN picture stutter or the need to route cables. And with its integrated electrical socket, no power outlet goes to waste.

### Feature:

- Co-existence with HomePlug 1.01
- With 500 Mbps, it is perfect for bandwidth-intensive HD and 3D transmissions
- High Definition (HD) and Standard Definition (SD) video distribution
- Internet Protocol Television (IPTV) distribution
- Home networking backbone for Wi-Fi, and Wireless USB
- High speed broadband sharing
- Audio and video streaming and internet downloading
- PC files and applications sharing
- Printer and peripheral sharing
- Network and interactive online gaming
- Security cameras
- The integrated socket ensures that no electrical outlet is lost
- The integrated mains filter improves data transmission in the home network
- Supports 10/100/1000 Base-T Ethernet wired connection
- Supports IGMP managed multicast IP transmission
- European Union's Energy-using Products (EuP) Directive compliant
- Full compatibility with all 200 and 500 HomePlug AV adapters
- Zero Installation
- With extended power socket

## 500Mbps Powerline Gigabit Ethernet Adapter, Pass Through

### Specification:

- Standard: HomePlug AV and IEEE1901
- Speed: up to 500 Mbps
- Modulation: Supports OFDM, 4096/1024/256/64/16/8 QAM, QPSK, BPSK, and ROBO modulation schemes
- Frequency: 2 MHz ~ 68 MHz
- Security: 128-bits AES encryption
- IEEE 802.3, 802.3u, 802.3ab 10/100/1000M Ethernet standard
- Power source: 100V / 240V AC, 50~60 Hz

### System Requirements:

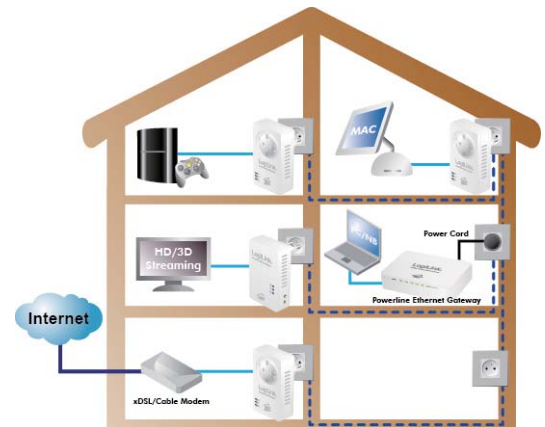

- Powerline Ethernet Adaptor can support any Operation System. But the Powerline Utility can only support Windows XP/Vista/Windows 7
- Pentium III 300 MHz or above
- Powerline device
- AC power outlet

### Package Content:

- 1 x 500Mbps Powerline Gigabit Ethernet Adapter, Pass Through
- 1 x RJ45 Ethernet Network Cable
- 1 x Powerline Utility CD
- 1 x Quick Installation Guide

### Packaging Information:

- Packing Dimension: 151x189x90 mm
- Packing Weight: 0.31kg
- Carton Dimension: 350x500x427 mm
- Carton Q'ty: 20pcs
- Carton Weight: 8.45kgs
