

## Surface Housings

Hubbell offers a complete line of compact surface housings. These low-profile housings accept all HD and Xcelerator™ series jacks, mount flush, and feature full labeling capabilities. The 8600 series are available in 2- and 4-port versions. The 8100 series are available in 1- and 2-port versions and are more compact for high-density applications.

### SPECIFICATIONS

- ◆ Plate: high-impact, 94 V-0 rated
