for Apple iOS and Google Android

DIGITUS® Plug&View OptiView Pro

Make your decision for an IP camera with high resolution and functional design. The DIGITUS® Plug&View OptiView Pro is the big brother of the OptiView (DN-16028) and convinces with a video resolution of 1 megapixel. The slender design of the OptiView Pro allows easy mounting almost everywhere – for instance in the cabinet or bookshelf. Installation is fast, in just 3 easy steps: simply scan the QR code with your smart phone or tablet, add the camera to your user account on login.mydigitus.net and immediately start watching images or videos from your OptiView Pro: with the DIGITUS® Plug&View app on your smart phone/tablet or on your PC. Everything just works with DIGITUS® Plug&View.
