

MAKE LINDY YOUR FIRST CHOICE FOR CABLES AND CONNECTIVITY

With over three thousand products, Lindy offers installers, system integrators and resellers the ultimate resource in cables and connection technologies. Covering the complete spectrum of audio-video and IT connectivity requirements, with full pre- and post-sales technical support, unbeatable customer service and expertise, Lindy is your ideal partner for connecting, sharing, converting and extending a wide array of digital and analogue signals.

CONNECTING

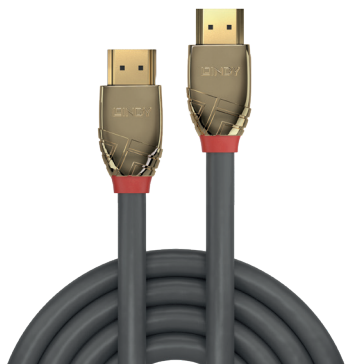

World Leader in cables & adapters

From HDMI and DisplayPort to USB, Ethernet and Power, Lindy cables and adapters are designed and manufactured for ultimate performance and reliability. The Lindy Cable Lines concept allows customers to easily select the perfect cable for any application based on performance, design and price. Lindy adapters and adapter cables are the convenient, cost effective choice for easily connecting a wide range of different devices and interfaces.

HDMI CABLES, GOLD LINE

ULTRA HIGH SPEED HDMI CABLE, GOLD LINE

- No compromise, ultimate performance High Speed HDMI 2.0 cable for demanding environments and mission critical systems

▶ No. 37601-4

DISPLAYPORT TO HDMI CABLES

ACTIVE DISPLAYPORT TO HDMI CABLE WITH HDR

- Connects a DisplayPort equipped device to a 4K HDMI display or projector

▶ No. 40924-7

CAT.6 U/UTP GREY NETWORK CABLES

10m-100m CAT.6 U/UTP NETWORK CABLE, GREY

- Twisted Pair Patch Cable with RJ45 connectors

▶ No. 44460-6

USB 3.0 ACTIVE EXTENDERS

8m USB 3.0 ACTIVE EXTENSION PRO

- Extends USB 3.0 connections up to 40m

▶ No. 43158

SHARING

Experts in splitting and switching technologies

With a proven track record of delivering fully featured sharing technology solutions throughout a range of industries and applications, Lindy represents the perfect partner for deploying complex device sharing and collaborative working installations. Lindy provides a range of performance signal splitters and switches that cover the full spectrum of HDMI, DisplayPort, DVI, VGA and USB connections. For advanced, multi-signal, complex distribution solutions, our Matrix range is a benchmark for performance and quality in the AV industry.

USB 3.0 METAL HUBS

7 PORT USB 3.0 METAL HUB

- Provides 7 USB 3.0 SuperSpeed ports, perfect for industrial applications

▶ No. 43128

MATRIXES

4X2 HDMI 4K60 MATRIX

- Connects and switches between 4 HDMI source devices and 2 HDMI displays

▶ No. 38084

VIDEO WALL SCALERS

4X4 HDMI MATRIX SWITCH WITH VIDEO WALL SCALING

- Allows 4 HDMI Inputs to be displayed in 3 different modes across 4 HD displays

▶ No. 38131

HDMI SPLITTERS

16 PORT HDMI 18G SPLITTER

- Distributes content from a single HDMI source across 16 HDMI displays

▶ No. 38246

EXTENDING

Redefining signal limitations with repeater and extender products

Lindy is a world leading exponent of AV and IT extension technology. Simple to use active repeaters extend standard cable runs by factors of two or three. Versatile, easily deployable Cat.x extenders can transmit high-definition video and audio signals over large distances. IP based solutions can make use of existing network infrastructure, overcoming the limitations of point-to-point extenders and enabling worldwide connectivity. For distances far exceeding copper-based solutions, our fibre optic technology has emerged as an industry standard.

HDBASET EXTENDERS

70m CAT.6 HDMI 18G, IR & RS-232 HDBASET RECEIVER WITH POC, TRANSMITTER, RECEIVER

- Distributes HDMI resolutions up to 70m over Cat.6 network cable via HDBaseT technology

▶ No. 38213-4

HDMI EXTENDERS

300m FIBRE OPTIC HDMI 4K60 EXTENDER

- Extends HDMI signals up to 300m using a single LC multi-mode cable

▶ No. 38179

KVM EXTENDERS

300m FIBRE OPTIC DISPLAYPORT 1.2 & USB KVM EXTENDER

- Extends 4K DisplayPort 1.2 & KM signals over 300m distances with LC fibre cable

▶ No. 39376

EXTENDER SPLITTERS

50m CAT.6 4 PORT HDMI 4K30 & IR SPLITTER EXTENDER WITH LOOP OUT

- Extends and distributes HDMI & IR signals to 4 displays at a distance of up to 50m

▶ No. 38155

CONVERTING

Seamlessly integrating new and legacy devices

With Lindy's range of conversion technologies, installers can seamlessly build installations using a combination of legacy and modern equipment. Lindy's years of expertise in this area allows customers to always implement high performance, effective solutions. Lindy converter technologies cover the full range of AV and IT digital and analogue interfaces including HDMI, DisplayPort, DVI, VGA and USB.

USB TYPE C TO HDMI CONVERTERS

USB TYPE C TO HDMI 8K CONVERTER

- Converts a USB Type C port to an 8K capable HDMI connection

▶ No. 43327

USB TYPE C TO DISPLAYPORT CONVERTERS

USB TYPE C TO DISPLAYPORT CONVERTER WITH POWER DELIVERY

- Connects a DisplayPort monitor and a USB Type C power supply to your computer's USB Type C port

▶ No. 43289

HDMI TO DISPLAYPORT CONVERTERS

HDMI 18G TO DISPLAYPORT 1.2 CONVERTER WITH USB POWER

- Connects a HDMI source to a DP display

▶ No. 38289

HDMI TO DISPLAYPORT 1.2 CONVERTERS

DISPLAYPORT 1.4 TO HDMI 8K ACTIVE CONVERTER

- Connects a DisplayPort 1.4 computer to an HDMI 8K display

▶ No. 38303
