

2m US 3 Pin to C13 Mains Cable

No.: 30338

Perfect for connection between PCs, displays, printers or other devices with IEC cold device ports

Description

- Connector A: US Mains Plug
- Connector B: IEC C13
- Cable type: 18AWGX3C, 0,824mm²
- Colour: Black
- 10 year warranty

These LINDY power cables are perfect for use in professional areas (recording studios, light systems and also for event locations of any kind, etc.) – but you can also use them in private sections. Due to the high temperature resistance from -10 to 70°C during operation these cables can also be used in non air-conditioned areas.

Please note: Only for the use in dry areas.

Available in lengths of 2m, 3m, 5m
