

UK to Euro Adapter Travel Plug, White

No.: 73099

Convert a UK BS1363 3-pin plug to a European Schuko plug

Description

- Convert a UK BS1363 3-pin plug to a European Schuko plug
- Compact size for use on the go
- 230 - 250 Voltage Rating, White Housing
- Can also be used in France with combined plug (type E/F)
- 10-Year Warranty

The Lindy UK to Euro Adapter is a handy, compact device for connecting UK 3 pin plug devices to a European Schuko (Type F) or French (Type E) outlet. The small size ensures this can be easily carried in hand luggage or small bags when travelling to european countries.

This adapter is fitted with the combined mains plug type E/F (CEE 7/7) on the Schuko side, so that it can also be used in France and Belgium.

Technical details
