

USB 2.0 Type A to A Adapter

No.: 71230

USB Type A Female to A Female

Description

- Connects two USB Type A cables together as a coupler
- Can be used as coupler or gender changer
- Compact size, perfect for travelling or in discreet installations
- USB 2.0 High Speed compliant
- 10 year warranty

USB adapters allow users to connect different USB interfaces to a device that uses a differing USB port.

The Lindy USB 2.0 Type A to A Adapter is a compact device that allows users to connect two USB Type A cables together, extending the distance between two USB Type A devices.

This adapter can also be used as a gender changer to allow USB Type A Male devices to connect to another USB Type A Male device.

Supports USB 2.0 data transfer speeds up to 480Mbps for the quick and effortless transfer of large data volumes.
